

Business Internet Access

Business Internet Access (+) Advantages

- Cost-conscious rates for smaller or budget-minded businesses
- Bandwidths provided are still dedicated, not via shared medium
- Symmetrical or Asymmetrical speeds available to support a variety of needs
- Tier – 1 backbone for unsurpassed availability and reliability
- Green billing and auto-pay options available
- Dedicated project management for every deployment
- 24/7 network surveillance and support

BIA APPLICATIONS

Business Internet Access and Business Internet Access Plus are internet service plans for small to medium sized businesses where traditional broadband speeds are sufficient, and a budget-conscious solution is needed – delivered via **fiber optic** over the last mile to your building.

BIA SERVICES

Your dedicated Stratus Representative can help determine your needs.
