**STRATUS NETWORKS**

INTERNET   DATA   VOICE   CLOUD

YOUR SINGLE–SOURCE PARTNER IN
BUSINESS CONNECTIVITY

WHO WE ARE

STRATUS NETWORKS wholly owns and operates a fiber backbone, built from the ground up, that ranges thousands of miles throughout Illinois. Additionally, we have established long-term relationships and interconnection agreements with carriers big and small throughout the entire country — as well as with several world-wide carriers — allowing our clients to connect seamlessly locally, nationally and internationally.
